

I am S. Shanmuga Priya. I'm studying in XI Standard. I am fine here. And my younger brother Gopi also fine here. He is studying in VIII Standard. I had scored 492 marks in X SSLC Exam. I took Maths Biology group in XI Standard. I came to this Ashram at the age of 13. When I was 9 years old, my mother passed away. Because of this incident, me and my brother get depressed. Due to the improper guidance and parental care, we came to the Ashram. After that we are happy here. My uncle only comes to see us monthly once, and bring some snacks to us. I want to be a government employee as a manager. I would try to achieve my goal. On account of any situation, I would never giving up my ambition. The Ashram provides enough facilities for us and even for my studies also and it is the only and fully support to achieve my aim. Your support is a precious thing to me. Without your support, it wouldn't possible. In the free time, my hobby is to draw natural pictures. I would like to paint the pictures. Whenever I want to be sleep before that I read some books. It's my another hobby.

I like chocolates and ice creams very much. whenever I had a problem or depressed situation I would pray and it relieves from that problems. So, I would pleasure to pray.
