

My name is P. Renuja Samy. I am studying in 11th standard in our English medium school. I am studying in the ashram for the past 10 years. My mother was passed away, when I was 4 years old. After that I came this ashram for my studies. I am very happy to study in our English medium school. It is a very good opportunity for me to have a English medium education. I am able to pursue this education only through the help of ashram. otherwise I would have studied in Tamil medium instruction school. I am very thank ful to the ashram for giving me the best in all means.

After my 12th grade of education I like to study CA. I like the ashram environment which gives me peace and happy and also fulfills my dreams. Thank you very much for this beautiful life.
