

My name is M. Pavithra devi, I am studying xth Standard. I came to this ashram in 2017. My father is working here as a gardener. Because of my family situation, I come here, I have elder sister, Dharma Rasi. She also studied in this ashram. She successfully completed 12th std last year. She got good marks. My aim is to become a Doctor. I will work hard to achieve my goal. The Ashram had all the facilities. It provides me all the available things like school uniforms, shoes and all other stationary things. Ashram provides new dresses for the festivals like Diwali, Pongal. I am very happy here with all my friends. Without your support, it couldn't have happened. So, your support is the most valuable for my success. So, I am very thankful to you for your support and help.
